Day 2 : Zurich - Rapperswil - Zurich

With our guide, we will stroll in the most populated city of Switzerland, the financial and cultural capital of the country. The city of banks has twice been declared the city with the best quality of life in the world. After this we will board a boat for a trip lasting almost two hours on Zurich Lake. The boat makes brief stops, allowing us to admire the villages on the way. We get off in RAPPERSWIL, a small and highly picturesque village overlooked by its medieval castle. We return to Zurich by train, and will see

the efficiency and punctuality of the Swiss Railways. Enjoy an evening in the historic centre, next to the lake, where you can dine at your favourite restaurant (Indian, Oriental, Italian, International, Swiss, etc.)

Day 3 : Zurich - Grindelwald - Lucerne - Zurich

Today's stage has beautiful landscapes with high mountains and lakes. Breathtaking scenery in the region of Interlaken. Grindelwald where we will have time for a coffee before taking the cable car (ticket included) up to Grindelwald first. We will walk along the path (30 minutes) in which we shall be able to take the footbridge over the empty stream among the fantastic scenery enjoying glaciers around us. Lunch included (vegetarian option available). After that we continue to LUCERNE, one of the most beautiful cities in Switzerland. Time at the end of the day to stroll, enjoy the city and dine before returning to the hotel in Zurich.

Day 4 : Zurich - Bern - Paris.

Embark on a scenic trip to BERN, capital city of the confederation built around a bend in the Aare River, with its medieval architecture preserved in the Old Town. Time to take a stroll and breathe in the fresh air. Next, we journey to France. Enjoy beautiful lake views on our trip to Paris. We arrive in the evening

Day 5 : Paris

A scenic guided tour to discover the history, main boulevards and the breathtaking monuments of Paris.

We end the visit at the Eiffel Tower area. You will have the opportunity to climb up to the second floor of this remarkable metal monument (ticket admission included).

End your visit with a boat cruise along the River Seine, which divides the north of Paris from the south. Enjoy a free afternoon to explore as you choose.

At sunset transfer to the Quartier Latin, a very picturesque area of the historic centre where you can enjoy dinner with a wide variety of international cuisines. Return to hotel.

Note: Sometimes queues to climb the Eiffel Tower are long. For organizational reasons, if deemed appropriate, the climb can be made at a different moment of the day (or Monday)

- ✈️ Payment for all bookings must reach our office prior to commencement date of cancellation as applicable.
- ✈️ The services provided by Europamundo Vacaciones S.L. are overland.
- ✈️ Europamundo Vacaciones S.L. is not responsible for the consequences or circumstances arising from services that are not provided by our company (flight problems, loss of or damage to luggage on flights, problems at borders/customs or those relating to documentation, etc.).
- ✈️ Non Admittance of Passengers- A moderate degree of physical health and physical ability is required to participate in our tours. In the event of any passenger with special physical or mental needs, or in cases where a passenger is over 75 years of age is travelling alone, Europamundo must be informed in writing at the time of booking, which will be analysed on a case by case basis, and it is possible that Europamundo may request a medical report. In cases in which the customer accepts the tour, Europamundo cannot assume any responsibility in relation to the difficulty or impossibility that the said passenger may encounter in undertaking the activities planned for the tour package, nor can they assume any responsibility for providing assistance for their adaptation to, or continuation of, the trip. No reservations will be accepted and Europamundo reserves the right to suspend any tour for passengers whose physical and/or mental conditions make their participation in it very difficult or dangerous to themselves or others. Europamundo likewise reserves the right to exclude passengers who significantly disrupt the smooth-running of the trip.
- ✈️ Documentation- All passengers must bring their valid documentation (passport, visas, health certificates, etc.), with the problems and disadvantages that may arise from non-compliance with this norm being their full responsibility. The interruption of the services taken out is not considered Cancellation for force majeure where the passenger is not carrying the required documentation or in instances where the traveller is denied passage through any border for this reason. It should be pointed out that we often note that the European border authorities often deny transit to passengers who they believe have acquired the trip for purposes other than tourism (immigrants).
- ✈️ Europamundo cannot undertake any arrangements or make any reimbursement for services that cannot be used in such cases. Cancelling a tour before it starts due to a rejected visa application is, however, considered to be through force majeure (provided that this is documented or noted in the passport, and that we are notified within 72 hours following the refusal).
- ✈️ Guaranteed Departures- All our tours have guaranteed departures, although in extremely limited cases, it could transpire that Europamundo is unable to operate a given departure. In this case, and by way of compensation, Europamundo will provide the same trip on an earlier or later date than the one chosen or another trip with similar features vis-a-vis duration and route, and offer, by way of compensation, a reduction of 50% on the value of the aforementioned journey.

- ✚ Cancellations of guaranteed departures may arise (without compensation or liability on behalf of Europamundo) in cases of exceptional unforeseen circumstances - among others - wartime conflicts, terrorist attacks, natural disasters, epidemics and economic circumstances that generate a very significant drop in the expected sales.
- ✚ Meeting Point or Departure Point- Unless otherwise stated, the starting point for the beginning of a tour is the hotel, if this was booked as an additional night or as a stop-over or end-point for another Europamundo itinerary. It is very important that travellers check the place of departure on their travel pass. No shows at that place on the date and time confirmed can involve losing the purchased services without any right to a refund of the same, with a lack of punctuality incurring the same consequences, both at the beginning of a tour and during the course of the same.
- ✚ Additional Nights- The prices listed for Additional Nights are only valid for travellers who purchase tours with Europamundo, provided that these nights immediately precede or are a direct extension of our tour. Given that Europamundo has no places reserved in hotels for these additional nights, we cannot guarantee either the rate (which in periods of high hotel occupancy or difficulty may vary), or the hotel that is booked, which in many cases will be confirmed at the last minute.
- ✚ Transfer Policy- The transfers included for the trip are specified on a tour by tour basis. In the event that transfers are included, which could be private or shared with other passengers, these may be provided from hotel to hotel or from the airport in the city where the passenger will join the tour to the hotel (or vice versa) at the beginning or end of the trip, with the right to the aforementioned transfer being lost where the passenger has arranged nights in between through a different travel company or where the airport / port is located at a distance of over 40 km. In the event that the traveller themselves request a change to this service, responsibility for this transfer is linked to the correct information on the number of the flight / train / hotel, with it being the passenger or travel agent's responsibility, in this case, to pass on this information.
- ✚ Shared Bookings- Europamundo will accept shared bookings for individual travellers on all our tours at an additional cost of 35 Euros. No reservations will be accepted for sharing on nights that are added on to the tours. In cases where a section of the trip is taken, shared reservations are accepted only if the length of the section includes at least 7 nights in hotels.
- ✚ Double Bedrooms and Triple Bedrooms- Europamundo cannot guarantee that all the rooms in the hotels will have double beds and it is possible that, in some hotels, the room will be a twin (two single beds). In many hotels there are no triple rooms, with these actually being a double room (of one or two beds) with an additional bed (which in some cases might be a folding one). The conditions and comfort are lower than in the doubles. We do not recommend booking triple rooms for three adults; we would only suggest this for families travelling with a child.
- ✚ Children under 3 years of age go Free (they do not have the right to a seat in the coach or to a bed in the hotel)
- ✚ Children from 3 to 8 years of age are entitled to a discount of 40% (with a minimum of one adult per child)
- ✚ Children from 9 to 15 years of age are entitled to a 10% discount on the value of the trip.
- ✚ Europamundo will not accept any liability for the loss or theft of luggage occurring at the hotels or where bags are left in the hold of the coaches overnight. Europamundo cannot accept responsibility for the loss or theft of baggage, money, jewellery, electronic items or valuables, even when this occurs in the rooms of the hotels or if the items have been deposited in the safe-deposit box. In the event that passengers travel with luggage that has a higher value than is covered in the included policy, we recommend making a declaration for these items before commencing a tour and taking out additional insurance.

- ✈️ Changes in Prices- In countries where our catalogues publish the prices for European tours in dollars, the published prices have been calculated at the rates of exchange prevailing at the time that the catalogue was created (November 2015) and these will not be modified if the average monthly comparison in the month before that in which the booking was made, for the dollar against the Euro, was not less than 1.12 USD / Euro and not more than 1.28 USD / Euro. In the event of variations above or below the specified values, the prices of this manual will be altered (increased or decreased) by the same proportion.
- ✈️ Prices in 2017- In the event that customers wish to take a trip during 2017 which start after the dates specified in this catalogue, Europamundo will uphold the price indicated in this brochure if passengers make a firm booking with the deposit being received before the 15th of January 2017. This booking does not allow changes to the itinerary, alterations to the departure date or name changes..
